

**WASHINGTON TOWNSHIP HISTORIC PRESERVATION COMMISSION  
MINUTES  
June 3, 2015**

This regularly scheduled meeting of the Washington Township Historic Preservation Commission (HPC), advertised in the *Observer Tribune* and the *Daily Record* in accordance with the Open Public Meeting Act and posted on the Municipal Building bulletin board and the Washington Township (the Township) website, was called to order at 8:27 by Chairman Stokes.

**Present:** Eileen Stokes, Jennifer Gorini, Gregg Forsbrey,

**Absent:** Jim Fitterer, Leah Korbel, Susan Penney, Ed Gagne

**New Business**

- **Historic Preservation Conference:** Tomorrow June 4, 2015 in Mount Laurel. Walk-ins are \$100.
- **244 Flocktown Road.** The property is on the State and National register and the Washington Township stone house survey. New property owners are closing on the property tomorrow June 4, 2014. The new property owners will need to demolish some of the stone structures on the property because they are in disrepair and are prohibitively costly to repair. The property is not in a historic preservation district so the HPC does not have jurisdiction over this property. The stone structures will be demolished on Friday June 6. Will need to notify the State that these structures need to be removed from the register.
- **Califon Historic Preservation Committee:** Califon has formed an advisory committee for historic preservation. They have reached out to use our Design Guidelines. We think that they can use it as a general guide to create a customized document for their historic district.
- **Historic Preservation Awards.** Decided on recipients of 2015 historic preservation awards. Gregg Forsbrey volunteered to present the awards at a Township meeting. He will let Eileen know when his available.

Eileen Stokes, Jennifer Gorini, and Gregg Forsbrey unanimously adjourned the meeting at 10:03.

Respectfully Submitted,  
Jennifer Gorini
